TO: LAFCO Commissioners
FROM: Greg Gatzka, Executive Officer
DATE: April 26, 2017
SUBJECT: 2017-2018 Proposed Budget Review

I. INTRODUCTION:

Attached is the summary review of the proposed budget recommended by the Executive Officer for Fiscal Year 2017-2018. This proposed Budget includes all the updated costs related to other County Departments. The requested budget of \$63,274 is \$6,660 more than last year's request, a 11.76% increase. The requested amount covers LAFCO's general activities as required by Assembly Bill 2838, the Cortese – Knox – Hertzberg Act, and continued involvement with CALAFCO to keep current on legislative and procedural changes. The largest adjustments in the budget this year are increases of \$1,417 in CAP Charges, \$1,448 in travel and expenses, \$2,500 in legal expenses and \$1,434 in administrative allocation largely due to a projected COLA. The net result of all of the budget changes resulted in the budget with an increase of \$6,660. Revenues are projected at \$33,387, up \$3,324 from the 2016-2017 Budget. This amount includes the estimated LAFCO Application Fees of \$3,000, LAFCO MSR/SOI Fees of \$500 and City shares for half of the remaining LAFCO budget. The County covers the remaining half of the LAFCO Budget share of \$29,887, which is an increase of \$2,824 from last FY. The total budget estimate is \$63,274.

II. LAFCO 2017-2018 FISCAL YEAR OBJECTIVES

The primary objectives for the 2017-2018 Fiscal Year Budget will center on continued training for LAFCO staff on operational procedures and processes, timely processing of reorganization and sphere of influence amendment applications, processing of all spheres of influence amendments for the cities, communities, and special districts in Kings County and prepare resources for the next required update. Staff will also review and assist Cities and Districts with the preparation of detailed MSRs for any Sphere of Influence Amendment application submitted to LAFCO to ensure compliance with Government Code Section 56430. As LAFCO staff is often relied upon by Cities to advise their prospective development applicants on annexation processes, staff needs to remain current on LAFCO processes, procedures, issues and implementation strategies. Continuing Legislative changes to LAFCO processes and procedures also necessitates staff's need for continual update through CALAFCO legislative review

activities. LAFCO staff has remained actively involved with CALAFCO workshops and other training venues to fulfill that need. The two annual CALAFCO training events are organized by LAFCO volunteers to keep all LAFCOs current on issues and implementation strategies.

III. SUMMARY OF RECOMMENDATION:

The recommended draft budget for FY 2017-2018 will require a budget of approximately \$63,274. After applying the estimated \$3,500 in fee revenue, the County's share is \$29,887. The Cities share is also \$29,887. An estimated summary of individual City shares based on population (not including prison populations) is provided in the chart below. The Executive Officer recommends that the Commission open the public hearing to receive public comment and testimony on the proposed LAFCO Budget and continue the public hearing to the May 24, 2017, Commission meeting. A copy of the detailed line item Budget for the proposed LAFCO Expenditures and Revenues is attached.
